

## LIST OF ORAL PRESENTATION

Oral No.	Title	Presenter
O-01	Cytotoxic interaction of the three major bioactive constituents isolated from <i>Atractylodes lancea</i> (Thunb.) DC. against human cholangiocarcinoma cell	<i>Pongsakorn Martviset</i>
O-02	Growth inhibitory activity of $\beta$ -eudesmol on cholangiocarcinoma cells is associated with suppression of heme oxygenase-1 production and STAT3 phosphorylation	<i>Vivek Mathema</i>
O-03	Celecoxib and p38 MAPK inhibitor SB203580 inhibit cadmium-induced PGE2 secretion from human astrocytes	<i>Ruedeemars Yubolphan</i>
O-04	The effects of sea cucumber ( <i>Holothuria scabra</i> ) on human mesenchymal stromal cells derived from placenta	<i>Jutarat Saengsuwan</i>
O-05	Preparation of <i>Gynura pseudochina</i> DC. var. <i>hispidula</i> Thv. leaf extract ointment and its efficacy in treating chronic plaque psoriasis	<i>Boonchua Dhorranintra</i>
O-06	Topical tofacitinib drive hair growth in mouse hair follicle by stimulate expression of Noggin and reduce expression of BMP-4	<i>Thanet Pongcharoensuk</i>
O-07	Efficacy of topical Tofacitinib in promoting hair growth in non-scarring alopecia: mechanism via VEGF induction	<i>Jindapa Thummakriengkrai</i>
O-08	The efficacy of 1550-nm Erbium-Glass fractional laser treatment and its effect on the expression of insulin-like growth factor 1 and Wnt/ $\beta$ -catenin in androgenetic alopecia	<i>Nawaporn Ungpraphakorn</i>
O-09	Incidence and risk factors for colonization of multidrug-resistance organisms (MDROs) among patients undergoing elective orthopedic surgery at Thammasat University Hospital	<i>Nuntra Suwantarat</i>
O-10	Current trends of balloon laryngoplasty in Thailand	<i>Thanakrit Sathavornmanee</i>
O-11	Pediatric laryngotracheal separation following a go-cart injury	<i>Polpatt Jitpakdee</i>
O-12	Contributions of SIDCER/FERCAP to the development of national accreditation programs for ethics committees in the Philippines and Thailand	<i>Arthur Navarro</i>
O-13	Disclosure of informed consent and ethics committee approval in international Thai scientific journals	<i>Junjira Laothavorn</i>

---

<b>Oral No.</b>	<b>Title</b>	<b>Presenter</b>
<b>O-14</b>	Pediatric facial lipoblastoma in the head and neck: case report and review of the literature	<i>Withita Utainrat</i>
<b>O-15</b>	Consumer attitude toward health focused interior design	<i>Seksan Leelathipkul</i>
