

Format for Short Biography

Kittikhun Kerdsomboon (Ph.D.)	Academic Qualification:
	B.Sc. (Biology), Mahidol University, Thailand
	Ph.D. (Biology), Mahidol University, Thailand
	Royal Decoration
	Professional Achievements:
	Academic Expertise:
	Yeast genetics and molecular biology - Nutrient stress response and homeostasis in <i>Saccharomyces cerevisiae</i>
	Toxicological science - Cellular mechanisms of toxicity using yeast <i>S. cerevisiae</i> as a model
	Current Research:
	- The ubiquitin-proteasome system (UPS) is essential for zinc-limited growth of <i>S. cerevisiae</i>
	- The effect ofalachlor on protein homeostasis in <i>S. cerevisiae</i>
- The effect of phosphate on cadmium tolerance in <i>S. cerevisiae</i>	
Honors/Awards:
