

Thiyaphat Laohawetwanit, MD

Personal details:

Date of birth May 26th, 1993
Nationality Thai
Address Division of Pathology, Chulabhorn International College of Medicine, Thammasat University 99 Moo 18, Paholyothin Road, Klongnung, Klongluang, Pathumthani 12120 Thailand
Mobile (+66)832777611
E-mail thiyapat@tu.ac.th

Education:

2010 – 2016 Doctor of Medicine (M.D.) (First Class Honor), Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand
2016 – 2019 Higher Graduate Diploma of Clinical Sciences Program in Anatomic Pathology, Department of Pathology, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand
Sep 2018 Visiting scholar (Liver pathology), Department of Pathology, National University Hospital, Singapore
May 2019 Visiting scholar (Pulmonary pathology, digital pathology, and artificial intelligence), Department of Pathology, Nagasaki University Hospital, Nagasaki, Japan
Jan – Jun 2024 Visiting scholar (Liver pathology), Anatomic Pathology Unit, Humanitas Research University Hospital, Milan, Italy
Jul – Dec 2024 Visiting scholar (Gastrointestinal and liver pathology), Department of Pathology, University of California, San Francisco, USA

Work experience:

Aug 2019 – Apr 2021 Lecturer, Chulabhorn International College of Medicine, Thammasat University
Aug 2019 – present Consultant pathologist, Division of Pathology, Thammasat University Hospital
Nov 2019 – present Member of the executive committee, International Academy of Pathology, Thailand Division (IAP-Thailand)
Jan 2020 – present Consultant pathologist, National Healthcare Systems Company Limited (N Health), Bangkok, Thailand
Apr 2021 – May 2023 Assistant professor of pathology, Chulabhorn International College of Medicine, Thammasat University
May 2023 – present Associate professor of pathology, Chulabhorn International College of Medicine, Thammasat University
Aug 2024 – present Member of the editorial board, Annals of Diagnostic Pathology (Scopus Q2), USA

Language: Thai (Native), English (Fluent)

Areas of interest: Hepatobiliary pathology, gastrointestinal pathology, generative artificial intelligence, digital pathology, pathology education

Textbook:

1. **Laohawetwanit T**, Apornvirat S, Kunjantarachot A. Atlas of digital pathology for health science students. Pathum Thani (Thailand): Thammasat University Press; 2022.

Invited presentations – National:

- 2018 Interesting case, The 58th IAP-Thailand Annual Meeting, Bangkok, Thailand
 2019 Interesting cases, Hepatobiliary pathology workshop and review, NHealth Academy of Pathology, Bangkok, Thailand.

Invited presentations – International:

- 2018 Poster presentation, The 64th Autumn Annual Meeting of the Japanese Society of Pathology, Kure, Hiroshima, Japan
 2019 Poster presentation, The Spring Scientific Meeting 2019, The International Academy of Pathology, Hong Kong Division, Hong Kong
 2019 Poster presentation, The 11th Asia Pacific International Academy of Pathology Congress, Hefei, China
 2019 Poster presentation, The Asia Pacific Digestive Week 2019, Kolkata, India

- 2020 Oral presentation, The 19th Meeting of the Japanese Society of Digital Pathology, Online
- 2020 Poster presentation, The 32nd Congress of the European Society of Pathology and 33rd International Congress of the International Academy of Pathology, Online
- 2021 Poster presentation, The 33rd Congress of the European Society of Pathology, Online
- 2022 Poster presentation, The 34th International Congress of the International Academy of Pathology, Sydney, Australia
- 2023 Poster presentation, The United States and Canadian Academy of Pathology (USCAP) 112th Annual Meeting, New Orleans, Louisiana, USA
- 2023 Poster presentation, The 13th Asia Pacific International Academy of Pathology, Online
- 2024 Oral presentation, The 20th European Congress on Digital Pathology, Vilnius, Lithuania
- 2024 Poster presentation, The 35th International Congress of the International Academy of Pathology, Cancun, Mexico

Awards:

- 2020 The most outstanding instructor award (voted by undergraduate students), Chulabhorn International College of Medicine, Thammasat University
- 2020 The outstanding young researcher award, Thammasat University
- 2020 Second runner-up, Excellence in research award, Chulabhorn International College of Medicine, Thammasat University
- 2022 Runner-up, Resident research competition award (senior author), Faculty of Medicine, Thammasat University
- 2024 Giordano Fellowship (Liver pathology, Milan, Italy), The European Society of Pathology
